

## GODWIN 10x8 SPECS with CAT Power: **Other Options Available**

The Godwin Dri-Prime 10" x 8" (250mm x 200mm) HL225M is a heavy duty, fully automatic self-priming pump specifically offered for pumping under discharge pressure conditions or high discharge lift applications. The HL225M offers flowrates up to 3,600 gpm (227 l/sec.), total dynamic heads up to 380 feet (116M), and solids handling up to 3" (75mm) in diameter. Like all Godwin pumps, the HL225M includes the Dri-Prime air ejector priming system for fully automatic priming up to 28 feet (8.5M) of static suction lift.

### **Features**

- Fully automatic priming from dry to 28 feet (8.5M) of suction lift. Maximum heads to 380 feet (116M). Maximum flows to 3,600 gpm (227 l/sec.).
- Handles liquids with solids up to 2-9/16" (65mm) in diameter.
- Continuously operated venturi air ejector priming system operated by an air compressor requiring no form of periodic adjustment or operator intervention.
- Dual, high pressure, dry running solid silicon carbide inboard and carbon/stainless outboard mechanical seal with selfcontained oil bath cooling.
- Mounted to a structural steel skid with integral 200 gal. (757 liter) fuel tank and lifting bail.

The Caterpillar Power Units come packaged complete with the addition of the following:

- \* 24-VOLT ELECTRIC STARTER
- \* 24-VOLT CHARGING ALTERNATOR
- \* QUINCY 325 BELT DRIVEN AIR COMPRESSOR
- \* BATTERY BOX & CABLES
- \* DRY TYPE AIR CLEANER WITH WEATHER BONNET
- \* ELECTRONIC CONTROL MODULE (ECM) GOVERNOR CONTROL
- \* RADIATOR COOLED WITH STANDARD 7' GENERAL RADIATOR ASSM.
- \* 36" ENGINE DRIVE FAN, FAN HUB
- \* SAFETY SHUT-DOWNS
- \* GODWIN ENGINE INSTRUMENT PANEL W/ TACH. & KEY SWITCH STARTING (AMPS, PRES, TEMP. ETC.)
- \* EXHAUST SYSTEM WITH MUFFLER & WEATHER CAP
- \* SKID MOUNTED ON HEAVY DIESEL FUEL CELL W/ OVERHEAD SINGLE EYE LIFTING EYE
- \* MOUNTED ON TANDEM AXLE TRAILER W/ (4) STABILIZER OUTRIGGERS ON EACH CORNER
- \* 200-GAL INTEGRATED DIESEL FUEL CELL TANK BUILT INTO SKID
- \* UNIT WILL COME FULLY INSPECTED AND FIELD RAN TESTED WHICH CUSTOMER CAN WITNESS.
