A photograph of an industrial rig platform. In the foreground, there are several horizontal metal beams, some of which are heavily rusted. A white rope is tied to one of these beams. In the middle ground, there is a large, cylindrical piece of machinery, possibly a separator or a tank, with various pipes and valves attached to it. To the right, there is more complex machinery, including a yellow component and a white cylindrical tank. The background shows a clear blue sky and some industrial buildings. The overall scene is brightly lit, suggesting a sunny day.

The image shows a large piece of industrial equipment, possibly a pump or compressor, situated in a grassy field. The equipment is primarily white and red. The white section on the left has several ventilation grilles and a circular access panel. The red section on the right is more complex, featuring a large spherical component at the top, various pipes, valves, and a handwheel. The entire unit is mounted on a metal base. In the background, there are trees and a clear blue sky. A watermark is overlaid on the center of the image.

A large industrial engine and generator set is mounted on a trailer in an outdoor storage yard. The engine is yellow and the generator is black. The unit is surrounded by tall grass and a gravel path. In the background, there are trees and a blue sky with some clouds. A white container with the text "Sea View Services" is visible on the left. A large cylindrical tank is on the right. The website address "www.PetroRigs.com" is overlaid in the center of the image.

The image shows two large, cylindrical metal drums, likely for oil or fuel, standing in a field of tall grass. The drums are light-colored with some blue and white markings. The drum on the left has a blue label with the word 'LIQUID' and a phone number '800-844-8883'. The drum on the right has a blue label with the word 'LIQUID' and a red label with the word 'OIL'. In the background, there is a large metal structure, possibly a rig or a storage container, with various pipes and equipment. The sky is blue with some clouds. The text 'www.PetroRigs.com' is overlaid in the center of the image.
