

Rig Specs

Mast & Substructure: Foremost Trailer Mounted Raised Substructure; Sliding Trolley BOP Handler w/ (2) Hydraulic Cylinders, Manual Cellar Controls, Standpipe Valve, Steam Manifold, Explosion Proof Lighting, Mounted on 2005 Peerless T / A 16 Wheel Trailer, Tires - Alum Buds - 275/70R22.5 - 60%, Air Suspension, w/ Rear Outriggers, Front Leveling Jacks, Hydraulic & Electrical Lines, CV - June 2015. Foremost 85' Mast, 140,000 LB Maximum Hook Load w/ (4) Lines, 1" Drill Line, (2) 4 Stage Mast Raising Cylinders, Chains, Stand Pipe, Hydraulic Piping, Utility Winch, Access Ladder, Lighting, Fall Arrest. 16" Rotary Table, w/1,600 LB Torque, 140,000 LB Maximum Load. Hydraulic Power Unit w/ (5) Main Hydraulic Pumps, Hydraulic Reservoir, Thermal Exchanger, Plumbing, Filters. Foremost RC240 100 Ton Hydraulic Top Drive w/ Integrated Swivel, Integral Traveling Block & Backup Leg. Steward Stevenson Model M1100S Injector, 110,000 LB Lifting Capacity, 60,000 LB Snub Capacity. Hydraulic System & Components – Raising Cylinders, Winches, BOP Handler, Doghouse Raising System, Hoses, Filters, Valves

Travelling & Rotary Equipment: (1) Set Web Wilson Type AAX Manual 2 7/8" - 9 5/8" Rotary Tongs. (1) Drill Pipe Elevator. Set Handling Tools - Drill Pipe, Drill Collar Slips, Safety Clamp, Drill Pipe Elevators

Blowout Prevention Equipment: 2012 Control Technology. Townsend Type 90 SPH Annular Preventer, 9" x 3,500 psi. (2) Townsend Model T88 Ram Preventer, 9" x 3,000 psi. Control Tech Working Spool, 9" x 3,000 psi, w/ 2" Outlets. Control Tech Crossover Spool, 7" x 3,000 psi

Mud Pump & Drive: JBI JF800 Triplex Mud Pump, Detroit Series 60 14.7 Liter 700 Hp Diesel Engine. Devair Model TAPV- 5052 175psi Air Compressor, Baldor 5 Hp Electric Motor, Diesel Day Tank, Liner Rack, Utility Bench, Tooling, Storage Cabinets, Explosion Proof Lighting

Mud System: 358 BBL Mud Tank, (4) Compartments -17 BBL Trip Tank, 88 BBL Suction Tank, 125 BBL Settling Tank, 125 BBL Shaker Tank, Mix Pump, Mixing Guns, Manifold. (1) Swaco Mongoose-PT Elliptical-Motion Shale Shaker. (4) Mud Guns, (9) Flow Gates & Skimmers. Poorboy 28" In-Tank Degasser w/ 150' of 8" vent Line. Chemical Mix Barrel w/ 5 Hp Electric Motor. (2) Mission Model 40202529 6x5x11 Pumps, w/ 50 Hp Electric Motor, 4" Manifold, w/ (7) 4" Butterfly Valves, Hopper, Storage Compartment, Exhaust Fan, Mud Weight Station, Pason Equipment.

Tubulars: (196) Joints 3 1/2" Range 3 Grade E Drill Pipe, w/ 3 1/2" IF Connections. (23) Joints 4" Range 3 Grade E Drill Pipe, w/ 3 1/2" IF Connections. (10) Joints 4 3/4" Drill Collars, w/ 3 1/2" IF Connections. (10) Joints 6 1/4" Drill Collars, w/ 4 1/2" XH Connections. (20) Joints 3 1/2" Hevi-Weight Drill Pipe, w/ 4 1/2" XH Connections

Combination Building: Combination Building: 12' x 54' Mounted on 4 Member Skid, Electrical Switchgear, Transformer, Accumulator Plumbing, (15) Lockers, (2) Benches, w/ 9,000 Liter Fuel Tank Generator 1: Stamford Model IEC34•1 350 KW Generator, w/ Detroit Series 60 475 Hp Diesel Engine, w/ Electric Start, Lockout Box. Generator 2: Stamford Model IEC34-l 142 KW Generator, w/ John Deere 190 Hp Diesel Engine, w/ Electric Start, Lockout Box. MCC Panel, Transformer, Starters. Control Tech Model Class 3 Accumulator Model 80 Gallon Accumulator, 5 Station Control, 3,000 psi w/ 178 Gallon Reservoir, PLC Remote, Cat Air Triplex Pump. National Compressed Air Model NCA-16-34GSD Air Compressor, w/ Sullair 2 Stage Compressor, 200 Hp Electric Motor, 2005 Avis

Welding & Fab 600 psi Receiver, Selectronix Model Gauges. ST-8 Instrumentation. Weight Indicator, Rotary Torque Gauge, Pump Pressure Gauges, Tong Line Safety Equipment: (3) Scott Air packs w/ (2) Spare Bottles, Fire Extinguishers, Welding Shields, Safety Glasses, First Aid Kits, Stretcher, Eye Wash Stations, Safety Signs, Lanyards. General Rig Tooling, Consumables, Rig Supplies, Spare Parts.

Doghhouse: 9' x 14', Drillers Control Console, Instrumentation, Storage Cabinets/ Bench, Stabbing Valve, Ruffneck Heater, A/C, Shelving. Tool House: 314 BBL Water Tank, Access Stairs, Safety Rails, Lubster, Cat Model 310 Triplex Wash Pump, Utility Bench, Fastener Bins, Storage Compartments, Tooling

Wellsite: 2005 Shelter Rig Manager's Wellsite: 12' x 46', c/w Satellite Receiver, A/C, Steel Storage Compartment, Crew Washroom, Office, Kitchenette/Living Room w/ Sofa, Bedroom w/ Washroom, Washer, Dryer, Built in Vac

Hydraulic Catwalk: With Operator Enclosure, Integral Hydraulic Power Unit, (4) Swing Out Arms, (4) Leveling Jacks, Hydraulic Pump w/ 50 Hp Electric Motor, (3) Hydraulic Pipe Tubes w/ Controls. Choke Manifold, 3" Gut Line x 5,000 psi, w/ (2) 2" Wing Lines, (8) 2" Gate Valves, (2) 3" Gate Valves, Cortec 2" Chokes x 5,000 psi. Choke & Kill Line Valves, 2" x 3,000 psi w/ Hi-Kalibre HCR, Manual Gate Valves, Check Valves

Flare Tank: skid mtd w/ 7' x 8' x 7' Tank, w/ (2) 2", (1) 6" Knockouts, 3" Flare Line, 611 Degasser Line, Safety Rails, Stairs

Support Equipment: 2005 Williams & Davis 777 100 Hp Boiler, c/w 8,775L Diesel Fuel Tank, Water Tank
